This is a pre-release notification and NOT a formal solicitation. This pre-release is intended to provide an opportunity for questions and comments relating to the attached draft solicitation.

There will be two OFRN Round 5 funding information sessions before the formal release of the Round 5 RFP. During these sessions, OFRN federal partner participants will be available to address specific questions relating to the Areas of Interest. Details can be found at <https://ohiofrn.org>

*Please forward this to your colleagues across the state, if we missed someone. We have a large email list but we are still compiling our lists and need your assistance with distribution.*
